

BLM: I support the 'No Action' alternative, which doesn't allow oil and gas development on the Arctic Refuge Coastal Plain. This is the only alternative that treats the Arctic Refuge as a Refuge, and not an oil field. It's the only choice for keeping our public lands legacy strong.

Additional comments:

I am from Appalachia so am familiar with oil + gas development. We should learn from our mistakes. We didn't protect Appalachia. Let's protect Alaska.
