Ms. Nichole Hayes, Project Manager  
Coastal Plain Oil and Gas Leasing Program EIS  
BLM Alaska State Office  
222 West 7th Ave., Stop #13  
Anchorage, AK 99513

I strongly support the proposed leasing program that would allow limited activity within the non-Wilderness portion of the coastal plain of ANWR.

Oil development on a fraction of the coastal plain would create thousands of jobs nationwide, generate billions of dollars in government revenue for public services, keep energy prices for American consumers affordable, and further improve energy security for decades into the future.

Sincerely,

Jerry Webre  
President of Little Red Services
