To: <mnhayes@blm.gov>

Dear Ms. Hayes,

My name is Joseph Kowalski. I am a recent law school graduate in Water Law living in Sacramento, California Please do not allow for oil exploration and drilling within the Artic refuge. We are at a crucial turning point in human history where we need to be looking for renewable and sustainable energy rather than damaging our precious ecosystems trying to get to every last drop of oil for a dying industry.

Sincerely,

Joseph
