Hi Nicole,

I'd like to include this short powerpoint of 10 images that relate to the Porcupine Caribou Herd's use of the coastal plain of the Arctic Refuge. I just completed a written section on line via your comment page for Section 3-105 to 107: Adding new information for the section on Porcupine Caribou Herd Use of Program Area. I was unable to attach the ppt. to the comment page. Maybe this is something you can easily insert? The captions for each picture are listed on my comment page at the bottom. All photos by Debbie S. Miller unless otherwise note on caption list.

Thanks for your help.

Debbie S. Miller
