Subject: [EXTERNAL] Arctic Wildlife Refuge
To: <mnhayes@blm.gov>

Please do not open up the Arctic Wildlife Refuge. If we disturb the refuge by drilling for oil, there will be ramifications beyond our control. There will be a ripple effect all through the area and also with the Native people in the area. We don't know what global warming will do in this area and the effect of global warming plus drilling could be devastating. We can't give up a rich ecosystem for oil dollars.
