

The Arctic National Wildlife Refuge in Northern Alaska is home to polar bears and the Porcupine Caribou Herd. Hunting in the region has supported the indigenous Gwich'in people for thousands of years. An oil and gas lease sale put forth by the Department of the Interior is now threatening the Refuge's coastal plain.

**Tell Interior Secretary Ryan Zinke to stop the lease sale in the Arctic Refuge.**

Comment: OUR EARTH IS ALREADY BROKEN, DO NOT BE  
THE REASON IT CANNOT HEAL
