USA FOR EVER

Dear Costal Plain EIS persons,

Oil leasing & development would destroy the wild quality of both the Costal Plain & adjacent designated Wilderness lands in the Arctic Refuge. The DEIS fails to truthfully explain what would be lost.

The DEIS does not truthfully address the Climate Crisis. Almost daily we are having a unprecedented climate event.

Just because we are not in the Arctic and can't see the goings on does not mean we don't care.

We Care. NO to oil & gas drilling in the Arctic

Refuge!
