

BLM: I support the 'No Action' alternative, which doesn't allow oil and gas development on the Arctic Refuge Coastal Plain. This is the only alternative that treats the Arctic Refuge as a Refuge, and not an oil field. It's the only choice for keeping our public lands legacy strong.

*I would like to one day visit the Arctic Refuge. Please protect it!*

Additional comments: *The short term gains do not outweigh the loss ~~of~~ we would face w/ oil & gas development on the Coastal Plain. These are public lands to be protected. Please protect our lands!*
