Dear BLM:

I support the 'No Action' alternative, which doesn't allow oil and gas development on the Arctic Refuge Coastal Plain. This is the only alternative that treats the Arctic Refuge as a Refuge, and not an oil field. It's the only choice for keeping our public lands legacy strong. BLM must consider the importance of the subsistence and conservation values that have been protected in the Arctic Refuge for decades.

This Refuge Was Put aside out  
of interest to Preserve Wildlife and  
Wilderness. Keep the Coastal Plain ~~Beautiful~~  
~~Beautiful~~ Beautiful! Drilling in the Coastal Plain  
Will threaten the Porcupine Caribou herd, and  
The Gwich'in People's way of life. I have  
not been to the Refuge, but that does not mean  
~~I~~ I don't have a connection to the place! I  
want to go and experience the Pristine Land!  
I don't want to see devastating development!

Sincerely,
