Dear BLM:

I support the 'No Action' alternative, which doesn't allow oil and gas development on the Arctic Refuge Coastal Plain. This is the only alternative that treats the Arctic Refuge as a Refuge, and not an oil field. It's the only choice for keeping our public lands legacy strong. BLM must consider the importance of the subsistence and conservation values that have been protected in the Arctic Refuge for decades.

I understand the <sup>sensitivity</sup> ~~importance~~ of ANWR's land. If that land is opened up for use, I am certain the ~~the~~ nature will be impacted possibly without any potential for reversal. I have lived in Alaska my entire life & if I can never see ANWR before it ~~has~~ been destroyed by oil corporations, I will be absolutely devastated. Please protect that land for my generations & generations to come.

Sincerely,
