Ms. Nichole Hayes, Project Manager
Coastal Plain Oil and Gas Leasing Program EIS
BLM Alaska State Office
222 West 7th Ave., Stop #13
Anchorage, AK 99513

I strongly support the proposed leasing program that would allow limited activity within the non-Wilderness portion of the coastal plain of ANWR.

Since the non-Wilderness coastal plain is less than 60 miles from TAPS, development of energy resources there is one of the most environmentally-sound ways to increase oil production in Alaska.

Sincerely,
