Dear BLM:

I support the 'No Action' alternative, which doesn't allow oil and gas development on the Arctic Refuge Coastal Plain. This is the only alternative that treats the Arctic Refuge as a Refuge, and not an oil field. It's the only choice for keeping our public lands legacy strong. BLM must consider the importance of the subsistence and conservation values that have been protected in the Arctic Refuge for decades.

I've been planning to visit this GREAT Area for years. I will spend this April in the Arctic Refuge. and want to do everything I can to keep it wild.

Sincerely,
