------------------	--

	Environmental Policy Act, Federal Land Policy and Management Act, and/or other applicable laws and regulations. In accordance with the Bureau of Land Management's 2011 Memorandum of Understanding with the National Park Service Consultation with the NPS Air Resources Division will be undertaken to determine those analyses, which may include dispersion modeling for deposition and visibility impacts analysis, control equipment determinations, and/or emission inventory development. These analyses may result in the imposition of additional project-specific air quality control measures.
