Notes on Current Status	The DR is currently under appeal with the IBLA. In response to a previous IBLA decision questioning the BLM delegation of authority, the original DR was ratified by the DSD on May 25, 2016. On August 25, 2016, IBLA ruled that the BLM ratification attempt to address the flaws in the DR was unacceptable. BLM issued a new DR December 21, 2016, by the authorized officer (DSD for Minerals and Lands). It was appealed by Wild Earth Guardians on December 23, 2016.
